Vision Statement

To cultivate a multi-cultural Ministry that evangelizes souls, edifies saints and equips servants for Christian works, while offering a relevant/radiant worship experience and maintaining a climate of Christian love.

From the Desk of Bishop Granger

Greetings to all our Mount Calvary Members and Friends,

This season is a time of harvest, new beginnings, and intentional work. We are elevating our standards and redefining our vision, using advancements in technology, media, and ministry to create a more impactful experience for every generation.

At the heart of everything we do are our core values: discipleship, stewardship, and interrelationship. We are a Bible-believing, Bible-teaching, and Bible-preaching church, and we believe our ministry is a wonderful place for you to worship, witness, and work. Your presence and engagement are essential to our success.

To stay up-to-date on all that's happening, please visit our website at www.mtcalvarywpb.org for the latest church news, our prayer calendar, and the monthly schedule of events. You can also follow us on Twitter and Instagram to join our online community.

I am praying for you and look forward to what God will do through our unified efforts as we become a powerful catalyst for His kingdom.

In His Service,
Bishop W. Oshea Granger, Senior Pastor

Verse of the Week

It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.

Topic: Momentum From Having the Proper Perspective

Scripture: Philippians 3:12-14

- This passage encourages us to embrace the progressive journey of faith.
- When Paul writes to the believers in Philippi, he does so with vulnerability and transparency. You gain momentum when you learn how to put life in a proper perspective
- To this perspective Paul shares the following:
 - *Disclaimer – an IOU (I - I'm incomplete) (O - I'm on my way) (U - I've under achieved)
 - *Dismissal – recall some things for reinforcement and revelation / reflect on some things for reviewing and research / revisit and revise for accuracy and correction). Dismiss your losses/limits/loneliness. Certain memories must be intentionally minimized, not maximized.
 - *Discovery – progression was accompanied by pursuit.
